Bachelor of Science in Nursing (BSN): Traditional option

Students are admitted to UCCS as Pre-Professional Nursing students, and then apply to become Nursing majors to begin the clinical portion of the Nursing program. The clinical portion of the program lasts six semesters. Nursing majors are admitted twice per year for the following semester's clinical starts. More information on eligibility and application to clinicals can be found on the College of Nursing website.

First Year Courses: All prerequisite courses are required for application to the Nursing program, and must be completed successfully by the end of the semester of application. Successful completion requires a C- or better for general education courses and a C or better for all HPNU, HSCI and NURS courses.
