

# Best Choices Guide

## Psychology (BA)

This Associate of Arts degree is designed for Colorado Community College System (CCCS) students who want to transfer to UCCS and complete a Bachelor of Arts degree with a major in Psychology. It is based on the [best academic advising choices](#) for future UCCS students. Please note that final graduation requirements for the bachelor's degree will be based on your year of admission to UCCS. Contact [transfer@uccs.edu](mailto:transfer@uccs.edu) for more information.

To earn the Associate of Arts degree with Designation (DwD), students must complete courses listed on page 1 of this guide for a total of 60 credit hours. At least 34 credits must be GT Pathways Courses. At least 15 credit hours must be earned from the CCC granting the AA or AS degree. Courses taken at other colleges, AP, IB, CLEP, DSST, and other sources of credit may not be applicable upon transfer to UCCS even if applied to the associate's degree at CCCS. Check the CDHE's [GT Pathways](#) website for more information.

A cumulative GPA of 2.0 or better is required for transfer student admission to UCCS. A minimum grade of C- or higher is required for courses to transfer to UCCS.

| Degree Requirements                                                                                     | Courses                                                                                                                                                                                                                                                                                           |       |

|                                                                                                         | General Electives <sup>2</sup>                                                                                                                                                                                                                                                                    | 10-11 |

### State-Wide Articulation Agreement

This guide is based on the Colorado State-Wide Transfer Articulation Agreement (STAA) for your major. For additional information regarding guarantees, limitations, and addendums to that agreement please visit [Transfer Degrees | Colorado Department of Higher Education Home](#).

### <sup>1</sup>Reasoning Skills – UCCS

The College of Letters, Arts and Sciences (LAS) at UCCS requires all students to complete a Reasoning Skills requirement. It can be completed in two ways:

1. Take MAT 1240, Math for the Liberal Arts **OR**
2. Take MAT 1340, College Algebra (or higher) **AND** either MAT 1260, Intro to Statistics **or** PHI 1013, Logic. PHI 1013 fulfills a GT-AH3 course for the AA/AS.

**Psychology majors** are encouraged to take MAT 1240 or MAT 1340. Psychology majors take a required Statistics course at UCCS (PSY 2100 - Intro to Psychological Sciences) that will fulfill the Reasoning Skills requirement with MAT 1340. MAT 1240 **or** MAT 1340 will fulfill the prerequisite for PSY 2100.

### <sup>2</sup>Language other than English - UCCS

Beginning fall 2023, the College of Letters, Arts and Sciences (LAS) at UCCS requires all students to complete a language requirement as part of their degree program. Students who provide a final, official transcript showing completion of an Associate's degree prior to their first semester of enrollment at UCCS will be waived from this requirement. For those who don't complete the Associate's degree, the second semester of a world language (ex: SPA 1012, Spanish Language II) or higher completes the requirement. Students who completed two years of the same world language in high school, or have AP, IB, or CLEP scores equivalent to a Language II course, will have completed the requirement upon receipt of high school transcripts and/or exam scores. Other exemptions and test-out options are available.
