2. Take MAT 1340, College Algebra (or higher) **AND either** MAT 1260, Intro to Statistics **or** PHI 1013, Logic. PHI 1013 fulfills a GT-AH3 course for the AA/AS.

Students who provide a final, official transcript showing completion of an Associate's degree prior to their first semester of enrollment at UCCS will be waived from this requirement. For those who don't complete the Associate's degree, the second semester of a world language (ex: SPA 1012, Spanish Language II) or higher completes the requirement. Students who completed two years of the same world language in high school, or have AP, IB, or CLEP scores equivalent to a Language II course, will have completed the requirement upon receipt of high school transcripts and/or exam scores. Other exemptions and test-out options are available.
