

## Mathematics (BS)

This Associate of Arts degree is designed for PCC students who want to transfer to UCCS and complete a Bachelor of Science degree with a major in Mathematics. It is based on the [best academic advising choices](#) for future UCCS students.

To earn the Associate of Arts Degree, students must complete the following course requirements for a total of 60 semester credit hours, at least 35 of which must be Colorado State-Guaranteed Courses. Courses taken at other colleges, AP, IB, CLEP, and other sources of credit may not be applicable upon transfer to UCCS even if applied to the associate's degree at PCC.

To transfer to UCCS, students should have a cumulative GPA of 2.4 or better, *including all remedial and repeated courses*. (Students with a transfer GPA between 2.0 and 2.39 will be considered for admission.) Each transfer course must have a grade of "C" or better.

Degree Requirements	Courses						
<b>Communication</b> (9 credit hours)	ENG 121	<i>Note: Students who test into ENG 122, should take ENG 201 as their second composition course.</i>					
	ENG 122						
	COM 125						
<b>Mathematics</b> (5 credit hours)	<b>Category GT-MA1</b>						
	<b>MAT 201</b>						
<b>Arts &amp; Humanities/Social &amp; Behavioral Sciences</b> (18 credit hours)  Select three courses from at least two different GT-AH areas.	<b>Category GT-AH1</b>

<b>Physical and Life Sciences</b> (10 credit hours) Complete PHY 211 and PHY 212.	<b>Category GT-SC1</b>				
	<b>PHY 211</b>	<b>PHY 212</b>			
<b>Additional Requirements</b> 21 credits recommended by UCCS for this degree plus remaining courses from the approved course list.	MAT 202				5
	MAT 203 or 204 (MAT 204 is recommended for UCCS students)				5
	CSC 119				3
	CSC 160				4
	Open Electives (CSC 161 is recommended for UCCS students)				4

**NOTE:** Courses in italics will count towards the UCCS Writing Intensive Requirement.

**Other AA Requirements**

1. A minimum of 60 credit hours in a prescribed program of study with a cumulative grade point average of 2.0 (a C average). At least 15 of these credit hours must be earned from PPCC.
2. Only 6 elective credits are allowed in any combination of PED courses.
3. Career and technical courses, whether taken at another institution or at PPCC, are not accepted toward this degree without approval of the PPCC Vice President for Instructional Services. Approval is given only when it is appropriate to the educational objectives of the student.
4. Courses numbered below 100 do not apply towards degrees

**State-Wide Articulation Agreement**

This guide is based on the Colorado state-wide transfer articulation for your major. For additional information regarding guarantees, limitations, and addendums to that agreement please visit the Guaranteed Transfer and Guided Pathways page on the Colorado Department of Higher Education website ([higher.ed.colorado.gov/Academics/Transfers/Students.html](http://higher.ed.colorado.gov/Academics/Transfers/Students.html)).

**Foreign Language Note – UCCS**

UCCS admission requirements include 2 years of the same high school foreign language (or equivalent 2 semesters at Pikes Peak Community College). Students planning to attend UCCS who do not have the prerequisite foreign language requirement should consider enrolling in these courses in addition to the degree requirements. Students who do not meet this requirement will need to fulfill it upon transferring to UCCS. This admission requirement does not apply to those who graduated from high school prior to 1988, who have a GED, who graduated from a non-U.S. high school, or who can prove proficiency in a foreign language through the 2<sup>nd</sup> semester at college level. **Please check with the Transfer Advisor ([ppcc@uccs.edu](mailto:ppcc@uccs.edu)) to see if this requirement applies to you.**

**Advising at PPCC**

(719) 502-3232 – [advising@ppcc.edu](mailto:advising@ppcc.edu)

**Additional Resources**

The UCCS transfer website ([www.uccs.edu/transfer](http://www.uccs.edu/transfer)) has many additional resources for students transferring from PPCC to UCCS.

### Four-Year Degree Plan - Mathematics

The following four-year plan lists all the specific course requirements for the Bachelor of Science in Mathematics degree at UCCS. Courses are listed by the course number at the appropriate institution. The order in which these courses are taken may vary with course availability. **Students are responsible for completing all course prerequisites.** Please note that this is a *suggested* degree program; your program may vary.

#### Suggested First Year

	UD General Elective	3			
<b>TOTAL</b>		<b>17</b>	<b>TOTAL</b>		<b>13</b>

#### UCCS Bachelor of Science, Mathematics Major Requirements

1. A minimum of 120 hours must be completed with a cumulative CU grade point average of 2.0; at least 45 of these hours must be at the upper-division level (courses numbered 3000-4999).
2. The Mathematics major requires a minimum of 43 hours with a grade point average of 2.0, and at least 28 of the hours must be at the upper-division level (courses numbered 3000-4999)
3. The last 30 hours of the degree must be completed while registered in the College of Letters, Arts and Sciences at UCCS.
4. In addition to the requirements listed on this handout, students are required to complete one course in Oral Communication, Cultural Diversity and Global Awareness. The courses may be within the major, part of general education or electives. Mathematics majors will have met the Global Awareness requirements by completing one course from ANT 101, GEO 105 or GEO 106 at the community college and Oral Communication by taking MATH 4040 at UCCS. The Cultural Diversity requirement will be met by taking an approved general elective course at UCCS.
5. The Mathematics department also offers multiple options in the BS Mathematics degree program. The above guide leads to the Applied Mathematics option, but the first two years can be applied to any option. Please see an advisor immediately upon entering UCCS to declare your preferred option, as your curriculum once at UCCS will vary from the program above. For specific program information, visit [www.uccs.edu/math](http://www.uccs.edu/math).
