

Transfer & Advising Guide for Community College Students Transferring to:

University of Colorado – Colorado Springs B.S. Health Care Science – Medical Laboratory Science Option

This agreement identifies community college courses that will apply to the baccalaureate degree.

If you plan to complete this bachelor's degree, recognize that:

1. You should transfer into the bachelor's program after you take the courses outlined below. Transfer hours beyond the credits below are not guaranteed to apply toward the bachelor's degree.
2. It is imperative that you contact an advisor at the 4-year institution by the end of the first semester to clarify course work appropriate for this major and to identify the community college courses and GPA necessary to meet admission requirements to both the 4-year institution and the degree program.
3. This Transfer Guide does not supplant any other transfer agreement your Colorado community college may have with this 4-year institution.

Transfer Recommendations: To graduate in a 4 year overall time frame, it is important that students follow the recommended schedule below. Students who wish to continue their education at the community college beyond the number of credits specified below should explore with both 2-yr and 4-yr advisors how their graduation timeline, COF stipend, and financial aid will be affected.

Guarantees and Limitations: Students:

- are responsible for meeting all admission requirements at the 4-year institution;
- are not guaranteed admission to the bachelor's degree program at the 4-year institution;
- are guaranteed, once admitted, application of the transfer hours below to either lower division general education, course work required for the major, or elective credit;
- must consult with the 4-year institution's bachelor's degree program to utilize AP, IB, or CLEP credits;
- must consult with the 4-year institution's bachelor's degree program for transferability of course work credits beyond those prescribed below as additional courses are major specific and the 4-year institution may restrict the number of community college transfer credits.

Please note that this curriculum neither fulfills the gtPathways general education curriculum nor the associate degree requirements at the community college.

Required General Education Courses Applicable to the Major (18 credits)			
General Education Knowledge Area	Credit Hours	Community College (CCCS) Course No.	Course Title and gtPathways Category
Written Communication	3	ENG 121	Complete ENG 121 (GT-CO1)
Art & Humanities	3		Any gtPathways Arts & Humanities course from one of the following AH Categories: GT-AH1 , GT-AH2 , GT-AH3 or GT-AH4
Social & Behavioral Science	3		Any gtPathways Social & Behavioral Sciences course from one of the following SS Categories: GT-SS1 , GT-SS2 or GT-SS3
Mathematics	4	MAT 121	Complete MAT 121 (GT-MA1)
Natural & Physical Sciences	5	BIO 111	Complete BIO 111 (GT-SC1)

Additional Required Courses (30 credits)			
BIO 112 (5)	BIO 201 (4)	BIO 202 (4)	BIO 204 (4)
CHE 111 (5)	CHE 112 (5)	MAT 135 (3)	

Elective Courses (0 credits)		
Elective courses must be selected in consultation with the advising office at the 4-year institution to verify they will transfer and apply to the student's chosen major requirements. No additional elective work will apply toward this degree at UCCS.		

Special Program Notes:
<p>UCCS Bachelor of Science, Health Care Science – Medical Laboratory Science/Med Tech Option</p> <ol style="list-style-type: none"> 1. A minimum of 120 hours must be completed with a cumulative CU grade point average of 2.0. 2. The Health Care Science major requires grades of "C-" or better for all courses. Two grades below "C-" for any required HCSC or option course of 2 or more credit hours will result in dismissal from the college. 3. The last 30 hours of the degree must be completed while registered in the Beth-El College of Nursing & Health Science at UCCS. 4. To transfer to UCCS, students should have a cumulative GPA of 2.5 or better, <i>including all remedial and repeated courses</i>. (Students with a transfer GPA between 2.0 and 2.49 will be considered for admission.) Each transfer course must have a grade of "C" or better. 5. Additional information about the Health Care Science options and application information can be found at the Beth-El website (http://www.uccs.edu/bethel/programs). <p>NOTE: Courses taken at other colleges, AP, IB, CLEP, and other sources of credit may not be applicable upon transfer to UCCS even if applied to an associate's degree at PCC.</p> <p>Foreign Language Note – UCCS</p> <p>UCCS admission requirements include 2 years of the same high school foreign language (or equivalent 2 semesters at a Community College). Students planning to attend UCCS who do not have the prerequisite foreign language requirement should consider enrolling in these courses in addition to the degree requirements. This admission requirement does not apply to those who graduated from high school prior to 1988, who have a GED, who graduated from a non-U.S. high school, or who can prove proficiency in a foreign language through the 2nd semester at college level. Please check with the Transfer Advisor (transfer@uccs.edu) to see if this requirement applies to you.</p>

Admission Requirements to the Institution and the College/School/Department
<p>Students transferring from community college should refer to the published admissions standards at: http://www.uccs.edu/admissions.html</p> <p>For additional information you may contact the Office of Student Recruitment. transfer@uccs.edu (719) 255-3084</p>

Transfer Disputes

If disagreement regarding the transferability of credits for coursework or a degree occurs between a student and a receiving two-year or four-year institution, the Department will facilitate an expeditious review and resolution of the matter pursuant to Commission Policy, Section I, Part T: Student Complaint Policy. For more information, contact the Department at 303-866-2723 or file a complaint at <http://higherred.colorado.gov/Academics/Complaints/default.html>
